

I understand that the FCC may be expanding a broadcast service that could force my favorite station, K-LOVE, off the air. Please do not allow this to happen. K-LOVE is the only FM Christian radio station that we get in Tucson and Phoenix. Thousands of us (including youth) are spiritually enlightened by listening to K-LOVE. I won't even listen to other stations because most are so offensive to me. K-LOVE provides positive music and news that impacts the lives of hundreds of thousands of people in communities around the country. So, please do not take K-LOVE away from us!
